

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF DIGITAL PAGING)
SYSTEMS OF KENTUCKY, INC.) CASE NO. 9961

O R D E R

On July 8, 1987, Digital Paging Systems of Kentucky, Inc. ("Digital") filed with the Commission an application for approval of the transfer of control of Digital from GSC of Nevada, Inc., to Radio Relay-Digital Paging Corporation.

KRS 278.020(4) states that no person under the jurisdiction of the Commission shall acquire or transfer control of any utility without the prior approval of the Commission.

Neither GSC of Nevada nor Radio Relay-Digital is a person under the jurisdiction of the Commission. Neither corporation is incorporated under the laws of Kentucky or conducts any business activity in the state.

Having reviewed the application of Digital, the Commission finds that its approval of the transfer of control of Digital from GSC of Nevada to Radio Relay-Digital Paging is not required. It is therefore ORDERED that this case be dismissed and the application of Digital be treated as a notice only filing.

Done at Frankfort, Kentucky, this 27th day of August, 1987.
